

2026 JAMBOREE PATCH GUIDE

My name is Brian Ives. In 2002, I earned the Eagle Scout Award at the age of 14 with the Ventura County Council in Simi Valley, CA. As a youth, I served the troop in various leadership positions such as Troop Guide, Patrol Leader, Assistant Senior Patrol Leader, Senior Patrol Leader, and Junior Assistant Scoutmaster. I enjoyed creating monthly Troop Newsletters, Court of Honor Programs, etc. Before reaching my 18th birthday, I earned 105 merit badges and 4 silver eagle palms. Once I became an adult, I volunteered as an Assistant Scoutmaster and Merit Badge Counselor for the Collections and Coin Collecting merit badges.

After relocating to Georgia in 2014, I became registered with the Northeast Georgia Council / Mowogo Lodge and have staffed many National Scout Jamboree's and attend each NOAC event. I will be staffing the patch trading area. Come say hello and let's trade! Over the last several years, I have created patch guides for both of these events. [Click here to view previous event patch guides](#). I enjoy collecting Eagle Scout pins / charms. If you have any Distinguished Eagle Scout or Knights of Dunamis pins / charms, please contact me. [View my collection](#).

Gnorn's Great Jamboree Hunt:

500 Patches Made

Gnorn's Great Jamboree Hunt is a Summit-wide, interactive scavenger hunt designed to get Scouts exploring, moving, and engaging with the full Jamboree experience. Guided by Gnorn the Gnome—one of the Jamboree's most beloved characters—Scouts will solve riddles to track him down across the Summit and try to "catch" him at all 11 activity locations. This isn't just a side activity. It's woven into the Jamboree experience.

Scouts attending the 2026 National Jamboree will search throughout Summit Bechtel Reserve to find hidden appearances of Gnorn. Some sightings will be obvious. Others will require attention to detail, teamwork, and exploration.

The scavenger hunt encourages:

Movement across the property
Fellowship among Scouts

Participation in activities
Discovery and problem-solving

In many ways, it reinforces what the National Jamboree is designed to do: get Scouts out of their comfort zones and into real experiences. Gnorn becomes the thread that ties it all together.

Participants purchase the NFC-enabled patch at the Trading Post (SKU: 665887), tap it with their phone to access the game, and begin their adventure. Scouts will visit 10 checkpoints, using riddles and clues to find each location, then scanning QR codes and completing challenges to earn points. Checkpoints can be completed in any order, allowing Scouts to participate throughout the day or across multiple days. Each checkpoint earns points toward their total score.

Bonus Photo Challenges & Scoring:

In addition to checkpoint activities, Scouts can earn bonus points through photo submissions, which contribute to their overall score and leaderboard ranking. Because these bonus points directly impact scoring—and ultimately the grand prize—a high volume of photo submissions is expected throughout the event.

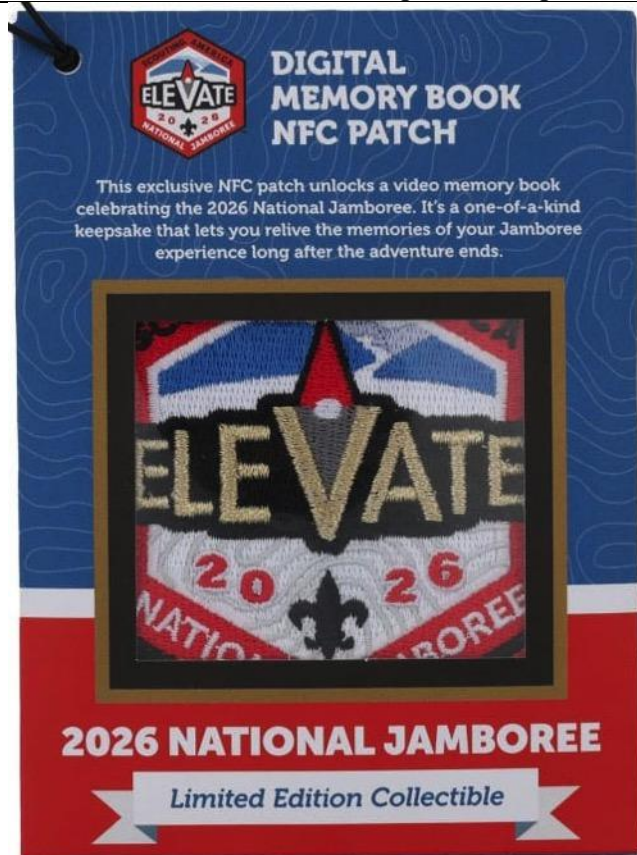

Scouts who complete all 11 checkpoints qualify for the grand prize drawing

Grand Prize: (Winner will be announced on July 29 at 6pm via text, email, and phone)

Two VIP Experiences at the National Jamboree Closing Show
A swag bag of Gnorn the gnome merchandise

Digital Memory Book NFC Patch

This NFC-enabled patch (SKU: 665886) can be purchased at the Trading Post. Scouts can scan, register, and get videos / images of the Jamboree when it's over.

Scouting America 2026 National Jamboree PATCH TRADING POLICY

Patch trading has long been an honored Scouting activity which builds comradery and extends Scouting beyond a Scout's home unit and community. At the core of appropriate patch trading in Scouting is that the trades always reflect the ideals of the Scout Oath & Law.

At the 2026 National Jamboree, Patch Trading is an official program activity monitored by the Crossroads Program Committee and assisted by International Scouting Collectors Association (ISCA) members.

To promote safe and appropriate patch trading, it is the policy that:

- Patch trading is an open activity and may be conducted anywhere at the National Jamboree that is safe and as authorized so long as displays and persons trading and/or viewing do not interfere with program activities and the safe movement of pedestrians and vehicles.
- Trades may be youth/youth, youth/adult, or adult/adult so long as such interactions conform to the Scouting America's Safeguarding Youth Guidelines and Barriers to Abuse policies and such trades adhere to the ideals of the Scout Oath & Law.
 - An adult is anyone 18 years of age or older.
 - Use the buddy system. Always have a friend or group with you, to make sure you're safe, especially in large and confusing crowds.
- If trading a non-Scouting item or patch (one not issued by a Scouting organization), the trader will disclose the fact prior to the trade.

An area designated as the "Official Patch Trading Area" during program hours will be on the porch and adjacent lawn area of the Summit Visitor Center. Additional areas may also be established. Trading Staff and resource materials will be present at the official patch trading area and at other designated areas as needed for crowd control and for questions and/or guidance in trades if requested.

Scouting America 2026 National Jamboree Patch Trading Policy

Thank You to all the Councils / Lodges / and Individuals
who supplied me renderings of their Jamboree patch sets / staff patches!

DISCLAIMER:

- * Some of the artwork shown may not have been produced.
- * Some patches produced may not appear on this list.
- * Some numbers produced may not be accurate.

This was a massive undertaking on my part and there is bound to be human error! Some of the information I received differs from Patch Scan and some of the details may not be accurate.

The PDF guide is simply a reference guide of designs that may or may not have been created.

This project was so consuming - I have spent countless hours contacting Councils / Lodges / Individuals and searching online for Jamboree related images. This project took several months to assemble and I am very pleased with the overall outcome.

We hope you enjoy it and find it helpful when patch trading!

Please Note: I have been asked if I will be making any edits to this Jamboree Patch Guide if there are any errors. It is not that I don't want to, but since I am working full-time staff at the Jamboree, I will be so busy I will not have time to make any edits. Once Jamboree is over, I will be returning back to work and will not have time to make any edits to the Jamboree Patch Guide.

This PDF guide is simply a reference guide of designs that may or may not have been created.

Adam McDaniel created a website called JamboPatchGuide.com where only scans of actual Jamboree patches are shown (No Artwork). I encourage you to upload your Jamboree patches to his site.

Crossroads of America Council	Jaccos Towne Lodge #21	State: Indiana
530 Full Sets with Center Additional JSP's Made		580 Flap / 580 Pocket Made
 A large, circular patch for the 2026 National Jamboree. The center features a compass rose with a hamburger in the middle, surrounded by the text "INDIANA TENDERLOIN" and "DON'T TELL ME IT'S JUST A PORK CHOP". The patch is divided into six segments, each representing a different food item: "PORK ON A BUN", "Tenderloin Trail", "THE REEF", "HAMMER AND POUND", "DON'T TELL ME IT'S JUST A PORK CHOP", and "PORK ON A BUN". Each segment includes the text "CROSSROADS OF AMERICA COUNCIL" and "2026 NATIONAL JAMBOREE".		 A rectangular patch for the 2026 National Jamboree. The top section features a cartoon bear holding a basketball and a hamburger, with the text "JACCOS TOWNE LODGE" and "2026 NATIONAL JAMBOREE". The bottom section shows a cartoon bear on a zipline, a bridge, and a river with people rafting, with the text "JACCOS TOWNE" and "2026 NATIONAL JAMBOREE".
35 Made		10 Made
 A circular patch for the National Jamboree & Scouting America. The center features a compass rose with a fleur-de-lis in the middle, surrounded by the text "NATIONAL JAMBOREE & SCOUTING AMERICA". The patch also includes the text "1937 D.C." and "2026 W.V.".	 A circular patch for the Order of the Arrow. The center features a red arrow pointing upwards, surrounded by the text "ORDER OF THE ARROW". The patch also includes the text "2026 National Jamboree", "Scouting", and "America".	 A circular patch for Troop 3219 Goose Chase. The center features a cartoon duck wearing a hat and sunglasses, holding a sign that says "WINNER SCAVENGER HUNT". The patch also includes the text "TROOP 3219 GOOSECHASE", "2026 NATIONAL JAMBOREE", and "2026".

Collector Story Cards

LUNA LONGSHOT

Luna Longshot discovered archery after being asked to stop chasing the arrows downrange. Now, under the full moon, she plants her feet, squints one eye, and mostly remembers not to chew on the bowstring. Archery has taught Luna many important lessons, like patience, focus, and why tails should stay very still during release. With every thwip and an occasional "oops," she's already learned that archery is all about patience, breathing, and not letting your claws shred the target. With ears perked and eyes locked on the bullseye, Luna proves that even on the hairiest nights, steady aim and Scout skills hit the mark every time.

MILO MCFLAPS

Milo McFlaps pedals steadily toward Beaumont Scout Reservation, wings tucked and helmet snug, because even mothmen follow the rules. When a car's headlights shine on him, his eyes glow brighter, his reflectors sparkle, and the driver definitely questions their life choices. Milo rings his bell, signals his turn, and keeps riding like this is a perfectly normal commute for a Scout heading to camp. By the time he rolls into Beaumont, Milo has practiced bike safety, demonstrated confidence, and once again proven that being prepared includes being visible, even if you are a nocturnal legendary creature with wings.

YVETTE YUKON

Yvette Yukon had trekked icy mountains across the world, but today her challenge was the Winter Klondike in Ohio. She showed up to the Klondike ready for winter survival but was mostly confused about why everyone looked so cold! While Scouts huddled near campfires, Yvette tried to put them out because it was getting too warm. When it came time for the Dutch oven cook-off, she politely declined and asked if anyone wanted to make ice cream. She preferred sleeping under the stars in what she described as "perfect outdoor weather." By the end of the Klondike, the Scouts had learned wilderness survival skills, and Yvette had learned that not everyone is built for the cold.

San Diego-Imperial Council	Tiwahe Lodge #45	State: California
There are (9) national parks in California. The 2026 SDIC set has (8) JSPs each, an OA set being the 9th national park, and a back patch. There are night and day versions of each – plus a complete night and day metallic border set as a fundraiser. The black border version was hard to differentiate from the black metallic border version from the night fundraiser set, so a second blue metallic border night fundraiser set was made. There is also a different night and day contingent/staff JSP for uniform wear. The metallic border versions are the fundraiser; while the non-metallic versions are issued to the contingent.

BizHive - Where Scouts Turn Ideas into Opportunities

What if you could turn an idea into something real—right here at the Jamboree?

Welcome to BizHive, a high-energy marketplace where Scouts don't just learn—they do. Whether you've got a big idea or no idea where to start, BizHive is built for you.

Jump in and explore:

- Bring your business idea or create a new business idea in minutes
- Pitch it to real mentors
- Get "Frannie Approved" with a confident handshake and introduction
- Compete in the Monopoly Challenge and climb the leaderboard
- Learn from leaders who've built businesses and solved real problems

Along the way, you'll connect real-world skills to Scouting advancement. BizHive activities support elements of the American Business, Entrepreneurship, Salesmanship, Law (including contracts and intellectual property), and Personal Management merit badges. While you won't complete an entire merit badge at BizHive, you may be able to start, practice, or even finish specific requirements with guidance from our mentors.

Want a goal? Go for the BizHive Patch. Complete a series of quick, hands-on challenges across the tents and earn it. It's not about being perfect—it's about stepping up, trying something new, and learning along the way.

And if you're ready to compete, don't miss the Monopoly Challenge, held twice daily. Top earners make the leaderboard and advance to the finals for a chance to win the exclusive BizHive Coin.

BizHive is more than an activity—it's a place to test your ideas, build confidence, and discover what you're capable of.

Medal of Honor		Media Relations Team
		
Come see us at the Medal of Honor Character Development tent at Jamboree. Learn about the Medal of Honor Recipients and the Core Values of Courage, Commitment, Citizenship, Sacrifice, Integrity, and Patriotism. Test yourself against the Medal's values, earn our patch, and have an opportunity to meet one of only 65 living Recipients of our nation's highest award for valor. The Path to Honor patch can be earned by completing 3 of our short 3 minute lessons.		Patch for the VIP and National Media Team. A little tribute to Tom Kraeutler; 2023 Jamboree Team Lead. Tom passed away unexpectedly in February 2025. His initials TK was placed on the bottom of the patch. Tom will be with us in spirit.

Public Service Academy		
Graduate (600 Made)	Staff (160 Made)	Sponsor (100 Made)
		

The Public Service Academy is a new program created to help Scouts begin answering that question—through action, experience, and challenge.

Located in or near the Tillerson Leadership Center at the Summit Bechtel Reserve, the Public Service Academy is a hands-on program exploring law, leadership, communication, and citizenship.

During Week One (July 22-25), Scouts interact with attorneys, judges, educators, and civic leaders while completing elements of the Law, Public Speaking, Communication, and Citizenship in the Community merit badges.

During Week Two (July 27-30), the Academy culminates in a hands-on Mock Trial experience, where Scouts take on speaking roles in a fictional case and see how preparation, teamwork, and communication come together in a courtroom setting.

Scouts who participate may earn a special Public Service Academy Graduate patch, recognizing their engagement across the Academy's program. Participation also aligns with Leadership Heights, which is focused on emphasizing profiles in leadership across all sectors.

PUBLIC SERVICE ACADEMY

National Scout Jamboree

Public Service Trail Passport

To earn the Graduate Patch from the Public Service Academy (pictured at right), Jamboree youth participants must:

- (1) Attend three (3) sessions of Public Service Academy (occurring July 22-25 and July 27-30); and
- (2) Attend two (2) Headliner Presentations by Leadership Heights (occurring daily at the ATCT Summit State from 10 AM until 11 AM).

Science Behind The Sport

Scouts must engage with WVU students and staff at each Science Behind the Sport program area to earn a patch. If scouts also participate in each adventure activity (shoot archery, ride a bike, go climbing, etc.) they can earn a limited edition center patch! Scouts can take their full set of 5 patches to the WVU Action Point tent to collect the center patch (500-1,000 limited edition center patches will be awarded during the Jamboree!). While visiting the WVU Action Point tent, they can also enter the free raffle to win some really awesome WVU prizes! [Learn More...](#)

TRADE-O-REE CALENDAR

What is a Trade-O-Ree?

Scattered around the country are exciting events called Trade-O-Rees (or abbreviated to TOR's). A trade-o-ree is an event that is generally held in a big hall, hotel banquet room, national guard armory, college or church gym. They are held for the primary purpose of scout memorabilia collecting buying, selling, or trading. Some are put on by avid collectors. Others are sponsored by troops, BSA Councils and OA Lodges; while some are put on by scout collecting associations. If you are taking your troop, note this on your tour permit. But, most of all bring your scout stuff and have fun!

Costs:

There is generally a fee for renting a table at these events to formally put up your items for sale or trade. But for novice collectors who just want to come in and browse and trade out of their day pack, there is sometimes an entry fee of \$1-5. Tables generally need to be reserved in advance, but walk-ins are welcome without any reservations. It is a good idea to call ahead and speak with the event organizer to make sure all the details are correct."

For More Details:

Be sure to visit our website to get all the details about Trade-O-Ree's taking place around the country.
